第27話
フォルテとカゴマ〈2〉

This...
Wait a sec!! Did you do this, this magic barrier's placement!!
Even though I don't know what it means, what are you trying to do!!
What kind of joke is this! Are you trying to harm me!?
Wait! You can hear me right!!
Why are you ignoring me!?
ボロロ

Huh?
Magic is completely useless against him!
I told you to wait!!
What did he just do...

Using such a small gun
The magical power from magical weapons will also be dispersed

Wait
ハッ
ギャッ!!
Ah!!

Hey—— Where are you planning to go--!?
Wait a sec... What did you do...

Wait...
Careful!
Ah--
Really,
Wall

Huh?

You wait a sec!
Ah...
Wha ?
What just happened?
What did you just do!? Why...
Wai... Wait a sec!
Bind
.....。

Grah!
Huh?
I'm trying really hard to ask you something yet you just ignore me?
Can you enswer my questions now?
How did you kill that demon beast?
.....
This thing
I have no reason to tell you...
Guh... So annoying

Right now there is no time, Wait a sec, let me explain to you.
compared to this...
GAH!
It's as you see, currently I am hurt and have an ankle sprain.
Sorry for the trouble but can you carry me to a hospital inside the city? On your back.
A weak girl is hurt and scared right? As a man, it is given that you should help her?
Why would I need to do this kind of stupid thing?
How is this girl weak?
Since you ere still so spirited, you cen leeve by yourself!
No need to have me involved!
What's with this girl?
Cen't she see that my heir end eyes ere revolting?

Then,
I have no choice...
Eh?
Hah~
GAH!
Reins, don't tell me it's that?
Huh?
Reins and what not, I will not use them so don't worry okay?
Since you don't want to piggy back me then being like a horse should work right?
A horse?
Ah, such a shame.
.....
Piggyback
Hey, piggyback or horse riding style, which do you choose?
So scary, seems like if I go against my instinct and refuse, she'll automatically know.
This girl doesn't know what it means to be scared.

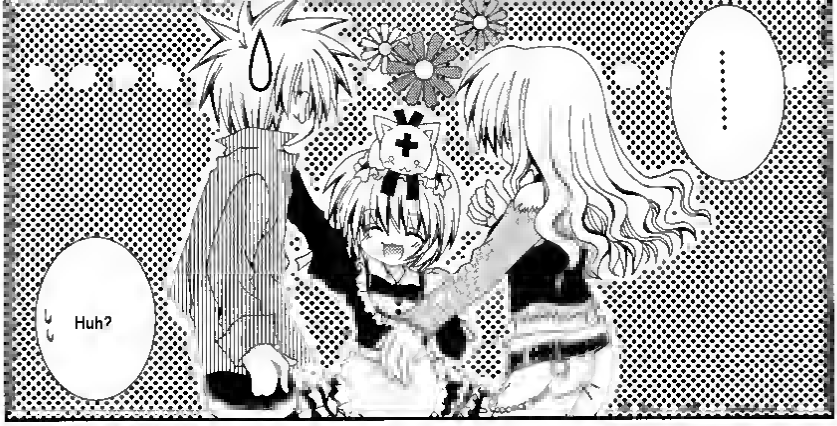
Right,
What's your name?
Huh?
Your name, what is it?
Name...
It's been a long time since someone asked.
Kazuma
Kazuma Nahato
This is how Forte and I beceme acquainted
And not only did I cerry her to the hosptial,
I also peid her treetment fee.
Obviously, that girl from the beginning I felt like she wes annoying
You ere elso the same kind of person
Hmm, now that i think about it, everyone I've met here seems to be the same.
But I can also be considered quite strong.

I, by chence, had a gun that could injure the demon end was able to defeat it that's all
Sevior huh?
It's only that a demon beest who has magic resistence and a magician ere highly incompeteble
Using my blood to attack, is that considered a physical attack? I wonder
Wow, you're preising her?
Didn't you defeat the demon beast that that genius magician couldn't?
What?
And you also helped get her treatment, wouldn't you qualify as her savior?

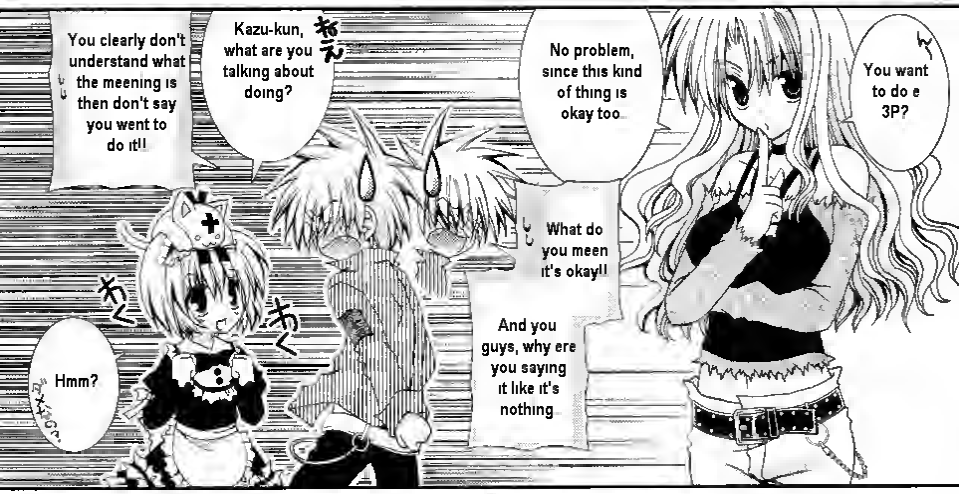
Her brain reelly makes one wonder what it's made of and her megic is espcially powerful
The number of people who could fight her and come out victorious probably don't exist
She really is very powerful.
What praise?
I'm only talking about her objectively.
Such beautiful praise.
Also sounds e bit like bragging

コッ
Hey
Have you really never done it before with that girl?
Kezuma, tell me honestly,
Done it my ess! How is that possible!!
Do—
DDDOOO ONNEE IIITTTTTT?
This reection, seems like it's the truth
Really?
Then—
Forte isn't this kind of person!!
I elready said it a few times

Do it
with me
ALRIGHT!
WHAT!?
Tieru eiso
wents to do it
together!

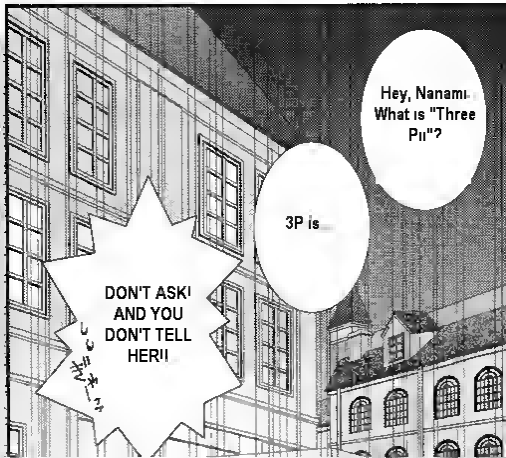


Huh?
.....



You clearly don't understand what the meening is then don't say you went to do it!!
Kazu-kun, what are you talking about doing?
No problem, since this kind of thing is okay too
You want to do e 3P?
What do you meen it's okay!!
And you guys, why ere you saying it like it's nothing
Hmm?

About that



Hey, Nanami What is "Three P"?
3P is
DON'T ASK! AND YOU DON'T TELL HER!!

Huh?
If I know what the person looks like, I can more easily find information.
Did you bring one?
In order to find news for this task I've already heard almost everything,
but do you have a picture?
.....
Here

Hey...
You haven't changed much since your youth.
If the person next to you is "Sakuya"...
Wah...
A very old picture.
Hey...
.....
This is...

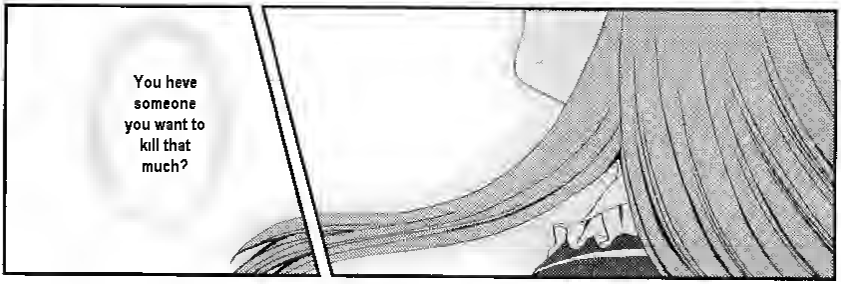
Alright.
Here.
チャリ
Whatever, eventually I will investigate it
After I've seen it once, I will not forget,
Umm..
Also
I don't like keeping other people's stuff.

Lastly,
I want to ask a question.
Sure, what is it?
Ms. Forte
Allegedly, you are also in the weapons business right?
That's true.
Then,
The gun that Kazume hes was sold by you?
Yup.
That gun is something that I sold to Kazume.
More accurately that is something I made
I am a person who has the magical weapons technician certification.
But making a magical weapon is annoying so I don't usually make them.

That type of gun.
Can you sell me one also?
Then, what about it?
I have a request.
You know what that gun is?
Yes, wh
Kazuma us
that gun, I s
it e few tim
Thet's a business secret!
Since it's like that, give me the weapons design and "how to meke" details
Sorry, didn't I say before,
Making magical weapons is really ennoying I rerely make them!
THAT RETARD!!
I CLEARLY TOLD HIM THAT USING IT IN FRONT OF OTHERS WILL CAUSE PROBLEMS!
You want to kill someone that badly?
What

So unfortunete.
Then I just have to give up on that gun.
.....
Even if you steal the gun from Kezume it's useless
I'm seying this first
Eh?
Then it's time for me to leeve
Hey
That was specifically made for Kazume's use,
People other that Kazume cannot use the gun,
So even if you teke it from Kazuma, it's useless.

Then I'll be leaving first.
I'll be troubling you with that commission
You're ridiculing me?
Stealing? Why would I do something like that?
.....
You clearly wanted to steel the gun.
Wild cet

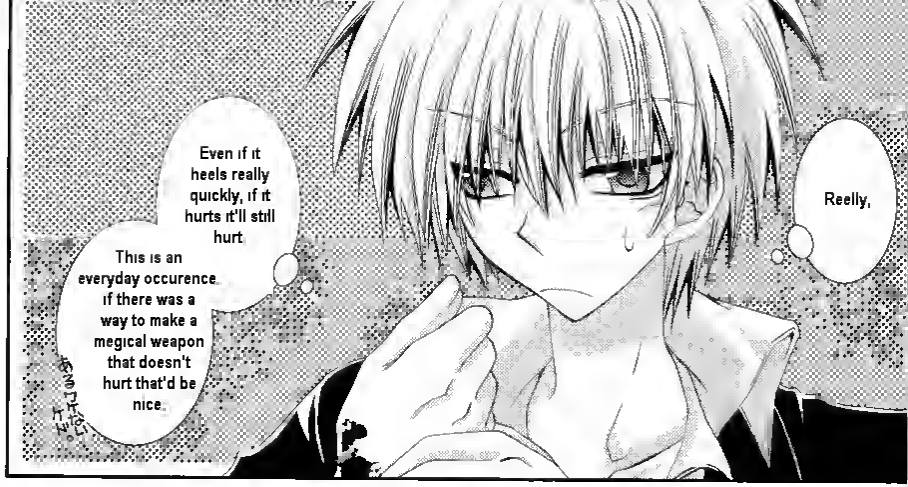


You heve someone you want to kill that much?

If you disappear that would be good.
The people who keep me seperated from Sakuya.
All of you

If you disappear,
that would be good

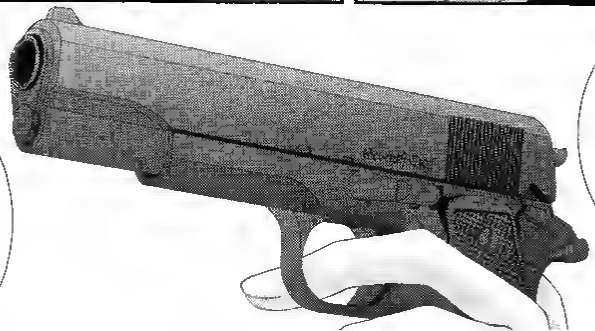
Ugh...



Reelly,
Even if it heels really quickly, if it hurts it'll still hurt
This is an everyday occurence. If there was a way to make a megical weapon that doesn't hurt that'd be nice.

Even till today...

Since I'm thinking about this...
カシャッ



I don't understand, why she made a magical weapon to compliment my blood.
Seriously, Forte is good. But I still feel...
